40% Written Exam  
60% Performance

Component Three  
externally examined. 20  
% of course complete

Component 3 – Scripted performances.  
Students prepare for external exam.

Component 1 - Section C.  
Live Theatre questions.

Component 1  
Section A-C retrieval.

Component Two - Devising. Students complete a  
devised piece based on stimulus given by teacher.

Component 2 - Devising. Students complete a  
devised piece based on stimulus. Section Essays  
also submitted. 40 % of course complete.

Component 1 Section A. Students learn  
about theatre roles and staging in order to  
answer Section A of the written exam.

Component 1 Blood Brothers  
Set text.

Work uses both improvisation techniques and scriptwriting  
to produce a performance. Students learn to use physical  
and vocal skills to construct a character.

Students explore Blood Brothers  
practically in order to answer  
Section B of the written exam.

Students use a real life story to create  
a Documentary style piece of theatre.

Devised - working from stimulus  
material to create a script.

Devising / Docu Drama. Using a real  
life story to construct a news report  
and eye witness accounts.

Scripted - working with a  
published text.

Work uses both improvisation techniques and scriptwriting  
to produce a performance. Students learn to use physical  
and vocal skills to construct a character.

Students explore a professional text with a theatre in  
education focus. Students learn how to analyse a text and  
realise key scenes practically.

Devised Thematic - working  
from stimulus material
