

LONGCROFT

— SCHOOL AND SIXTH FORM COLLEGE —

NEWS LETTER

A celebration of our pupils' and Sixth Form students' achievements during the Summer Term!

We reflect with pride on a wonderful term of academic endeavour, sporting success, performing arts opportunities, charitable ventures and a fabulous enrichment programme that has seen Longcroft's pupils and Sixth Form students experience London, Barcelona and New York!

With best wishes for the summer.

Reward Totals

So far this term our pupils have been awarded the following rewards for acting with Great Heart, Thought and Vision:

Acts of Great

HEART

146,132

THOUGHT

581,213

VISION

374,523

GRAND

TOTAL:

1,101,868

Congratulations to the following pupils who earned the highest number of ClassCharts rewards in their year group!

Year 7

Oscar Purchon	7LWO
Owen Harper	7ACR
Ashley Griffin	7ACR
Jake Redmond	7ACR
George Hogg	7LWO
Tymofii Merkulov	7ACR
Leonid Vaskov	7ACR
Christopher McGlone	7ASC
Olivia Chilcott	7LWO
Angel Butler-Shorrocks	7ACR
Beth Dawson	7EFX
Spencer Uzzell	7ACR
Amelia High	7ASC
Imogen Trolle	7ACR
Sonny Marriott	7ACR

Lexie Burke	9DPE
Lily-Mae Tierney	9DPE
Maisie Monaghan	9ARU
Logan Munns	9ARU
Emelia d'Andilly	9JHL

Year 10

Anika Matta	10PDR
Amelia Purchon	10PDR
Samuel Smedley	10EDN
Charlotte Skilbeck	10JPO
Amelia Dale	10EDN
Lydia Spratt	10PDR
Elise Forster	10JPO
Jasmine Lambert	10PDR
Cal Skinner	10PDR
Daniel Parkinson	10PDR
Joe Dawson	10JHR
Toby Robertson	10PDR
Ella Curley	10JPO
Lucy Coombe	10JPO
Emilia Fisher	10PDR

Year 8

Neve Meagher	8EMN
Scarlett Wood	8PDV
Holly Ruston	8RTO
Charlotte Sutcliffe	8PDV
Alex Matta	8RTO
Caitlin Groves	8RTO
Sienna Rasen	8RTO
Alfie Robinson	8SGE
Amy Thornton	8PDV
Lydia Chapman	8RTO
Henrik-Bror Berntsson	8SGE
Lilly Pyle	8RTO
Eddie Pickering	8SGE
Lily Curtis	8GTA
Izzy Barwick	8RTO

Year 11

Grace McKenzie	11SWL
Freddie Robinson	1SWL
Harry Hood	11SWL
Natasha Sharpe	11LSI
Lydia Curley	11ESH
Connor Rushton	11LSI
Samantha Thorpe	11RLO
Imogen Capes	11NFO
Leo Gamble	11LSI
Summer Mulvana	11LSI
Evie Baker	11RLO
Lauren Matthews	11SWL
Amy Barber	11SWL
Tristan Carlo Pineda	11ESH
Alissia d'Andilly	11ESH

Year 9

Sam Al-Budri	9DPE
Ben Carlyle-Smith	9DPE
Sadie Colclough	9DPE
Alicia Hicks	9ARU
Sienna Robinson	9ARU
Maisie Foster	9ARU
Evie Woad	9DPE
Phoebe Haw	9ARU
Millie Wisher	9ARU
Cody Keenan	9ARU

A capacity audience enjoyed another wonderful **Longcroft Production** as pupils and Sixth Form students performed **'Everyone's Talking About Jamie'** - a stage musical centred around sixteen year old Jamie New.

We were delighted and proud to welcome **Graham Stuart MP** to our school. It was wonderful to celebrate together our children, our school and the Wonder Learning Partnership's fantastic achievements over recent years, as well as to share our vision for sustained educational excellence in the locality moving forward.

A group of Lower School pupils, known as the **Longcroft Green Team**, took on the role of Active Travel Ambassadors with the aim of helping our environment by encouraging members of the Longcroft community to favour active means of travelling to and from school such as cycling and walking.

Recognising the challenge of encouraging people to switch to sustainable travel has never been greater and more important; we are delighted to be working in partnership with **Modeshift** – the UK's leading sustainable travel organisation.

Our Green Team enjoyed the opportunity to visit County Hall in Beverley where they pitched their campaign to a panel of industry experts including Jenny Wiles from Active Travel England.

The pupils certainly made an impact on the panel of judges. Mr Coupe explained, "While pupils were pitching to receive £250, the panel were impressed and awarded them £500! I am sure our Ambassadors, who did an amazing job, will invest their money wisely and succeed in their aim of both encouraging and supporting active travel."

Former Longcroft student **Becky Briggs** completed an incredible, inspirational comeback from a serious injury when she completed the London Marathon. Becky, who represented Great Britain in Munich's 2022 European Championships, earned a fabulous 12th place in the Elite Women's race in a time of 2:35:25. She explained: "16 months ago, I started running again from scratch after 3 months off recovering from bilateral sacral stress fractures. On Sunday I finished the London Marathon as the English National Champion and second Brit."

Former student **Laura Meredith**, whose acting career has included roles in Coronation Street, Casualty and Hullraisers, starred in Hull theatre company Middle Child's highly acclaimed production of Maureen Lennon's 'Baby, He Loves You'. Laura said: "I loved playing Jodie in 'Baby, He Loves You'. It was a really important story – I found the response of the audience and speaking to them afterwards really fulfilling. Playing the lead was an exciting challenge."

Year 7 pupil **Oscar Harling** competed in the North East England Regional Swimming Championships, earning 8th place in the final of the 50 metres breaststroke.

Four Longcroft pupils, Ella (Year 11), Hailey (Year 10), Ava (Year 9) and Poppy (Year 8) competed for their **BDC Royals** team from former student Clare Moran's Base Dance Company at the UDO British Competition. The team secured first place to become the British Champions in their team dance category for the second consecutive year! They are looking forward to representing Britain in the UDO World Street Dance Championships in August.

Year 8 pupil **Amelia** gained valuable publicity for the campaign she is leading to increase the use of cycle helmets and change the law. BBC reporter Amanda White interviewed Amelia, along with her cousin Sophia, best friend Billie and her mum VJ, for a feature which aired on Look North. Amelia said: "It was really good. I enjoyed it and was glad I got on TV. Amanda was really happy I was doing it. She thought I was really brave and that I was doing a good thing."

It was wonderful to welcome **Alison Wilson, the DfE's Regional Director for Yorkshire and the Humber**, to Longcroft. Pupils and Sixth Form students met Alison, one of the most senior officials in the Department for Education, who was hugely impressed by our young people. They discussed their school, their education, and a range of issues affecting young people nationally.

Year 12 students held a bake sale, raising £111 for the Peel Project in Hull. **The Peel Project** is a charitable organisation that supports the local community with a focus on the BAME population in our area. Year 12 learnt about this when Imam Choudhury visited the Sixth Form to talk about the work of the Islamic community in East Yorkshire.

Our **Year 10 football team** enjoyed a fantastic season which culminated in them reaching the Humberside Schools' Cup Final – unfortunately despite a valiant effort the girls were beaten in the final against Howden School at Hull's St Mary's College.

Having retired from professional rugby league months earlier, former student **Scott Taylor** completed the Rob Burrow Leeds Marathon, raising over £2,500 to support friends and MND sufferers Rob Burrow and Craig Eskrett. Having completed the course, he said: "I gave it my all and the main thing was to finish it. Unfortunately my body let me down but I battled round in just over five hours to the finish. I always wanted to do it faster but it was about raising money for two true gents and I hit my target." Scott is pictured having completed the marathon alongside close friend and fellow former Longcroft student Matt Holwell.

Former Longcroft student **Katy Beskow** visited to talk to Year 10 pupils about the joys of being a food writer, and why veganism is so important to her. Pupils also watched Katy create a mouth-watering vegan pasta dish, had a stimulating Q & A session, and learned about the cookery publishing business.

Year 11 pupil **Harry** combined his studies at Longcroft with a day each week at Beverley's East Riding College. Harry's tutor Jeremy Hara explained: "Harry completed stretch and challenge work in the form of building an arch. Normally a Level 1 student would not get the chance to build a complex wall, however Harry has exhibited the dedication, skill and passion for the craft and showed meticulous attention to detail." Harry was nominated for an award as 'The Best 14 – 16 Student in the College' and we were proud and delighted when he won! Harry is pictured receiving his award at the College's Awards Ceremony.

Mr Coupe and Mrs Newsam took twelve pupils to Dalby Forest for a mountain bike experience expedition. Prior to the trip, the pupils received two afternoons of training from the East Riding of Yorkshire Council's Sustainable Transport Team in order to build up their mountain biking skills.

Norwood saw one of Beverley's most famous sporting occasions on a magical day when 1,525 people turned out to watch Beverley Town, coached by former Longcroft student **Dave Ricardo**, clinch promotion to the NCEL Premier Division through a penalty shoot out.

Meanwhile a second former student **Craig Hancock** coached Beverley RUFC to a famous victory. Beverley took on Peterborough Lions at Darlington Arena in the Papa Johns Counties 1 North Shield Final. On a day that will live long in the memories of everyone involved with the club, Beverley won 58-33.

Our athletes took on schools from across the county in the Humberside round of the **ESAA Schools' Cup** at Hull's Costello Stadium.

Our **Under 13 cricket team** welcomed Woldgate to Beverley Cricket Club on a fine summer evening to play an 18 over game and earned a 46 run victory.

Former Longcroft pupil **Tallulah Pulling** represented her country in the prestigious Tri-nations tournament. The annual tournament, which this year took place in Cardiff, sees the best boxers from England, Scotland and Wales compete against each other. Tallulah, who represents Beverley's Track Fitness and Boxing Club, took on Scottish boxer Isabella Fioretti and was unfortunate to lose out on a 3:2 split decision.

Year 8 pupil **Nathan** earned 3rd place in the **First Story National Eco Poetry Competition 2024**.

Nathan explained: "I wanted to make people think about global warming and what they could do about it. I knew I wanted to use a nature theme, so I thought I would write about things that are important to me." His poem, 'Cherish', is featured here.

Cherish

Trees whisper secrets in the gentle breeze,
A symphony of life among the leaves.
Rivers flow with a soothing song,
Birds dance freely all day long.
Mountains stand tall, proud and serene,
A world so vibrant, so lush and green.
Let's cherish this Earth, our precious home,
Protect its wonders, wherever we roam.

Pupils studying **GCSE Geography** carried out fieldwork at Mappleton and Hornsea. Pupils visited Mappleton beach to measure various coastal processes and the town of Hornsea to study flows of people, traffic and its sustainability.

Dr Ed Hurst, the programme director for creative writing at the University of Hull, returned to Longcroft Library this week for the second of his linked workshops. A group of Year 10 pupils explored publishing.

Year 12 students Peter, Ben and Freya spent a week in **New York**. They visited iconic landmarks such as the Empire State Building, the Statue of Liberty, the Museum of Modern Art, Times Square and Ground Zero - the former site of the World Trade Centre. This year's trip also included a meal at Broadway's Hard Rock Café followed by a performance of Wicked at the incredible Gershwin Theatre!

Year 12 students enjoyed a week's **work experience**. Maddie, who will be applying to read Law at university, spent the week at Hull's Crime and Criminal Litigation specialists Barker

and Copeman. Emilia and Jasmine thoroughly enjoyed their week at Molescroft Primary School. Emilia said: "It was very enjoyable and taught me a lot about working with children. The teachers were lovely and it was nice to see how everyone interacted with each other." She added: "I want to be an Educational Psychologist, so it was a great opportunity." Jasmine said: "I really enjoyed getting to know the children and helping the teachers. Going to St Mary's Church and the Sports Days were fun. I'd like to go back."

Our fabulous catering team from **Mellors** earned another 5* Food Hygiene rating!

Year 10 GCSE historians visited **Hardwick Hall** in order to get a first-hand immersive experience of the grandeur of Elizabethan architecture. Pupils recognised that the rise of a new gentry class and a move away from the previously defence-oriented homes of the rich allowed a successful burgeoning capitalist England to take the opportunity to broadcast their social status.

Year 12 Biologists enjoyed visiting **Cranedale Residential Centre** for a three day field trip. The residential included visits to Filey Brigg where students looked at salinity, temperature and abundance of seaweed, Brompton and Settringham Becks to study the index of diversity in two streams and Wharram Quarry to study the different stages of succession, looking at soil pH, soil depth, temperature, humidity and plant species richness to determine the different series of succession. Students also set some live mammal traps, camera traps and pitfall traps and studied their findings.

Year 13 students came back together for their **Prom!** It was a superb evening in the function room upstairs in the Rose and Crown - situated on North Bar Without in Beverley.

We welcomed Year 6 pupils to Longcroft for our annual **Induction Day**. Coming together from over twenty different primary schools, our September starters enjoyed a range of different activities, working together in house teams as part of our Longcroft community.

Year 11 enjoyed their **Prom** in the beautiful setting of Lazaat Hotel in Cottingham.

Beth, who ran as the Labour Party candidate, was elected as the Member of Parliament for Longcroft School and Sixth Form College in our **mock General Election**.

We were proud to once again host the **School Sport Partnership Annual Awards**. Anna, Rosalie, Luke, Jemima, Erin and Millie earned awards that were presented on the evening by inspirational England hockey player Charlotte Hartley.

We enjoyed witnessing and chronicling the birth and first days of life of ten chicks thanks to our engagement with the **Living Eggs project**.

Year 9 pupils visited **Bishop Burton College's Sustainable Futures Event** - an opportunity for them to explore a range of careers associated with Bishop Burton College.

Year 10 pupils enjoyed their week's **work experience**. We welcomed back Year 11 into Longcroft as they had their **Transition Day**. During the day our future students visited the lessons that they have currently opted for and spent time enjoying our Sixth Form's bespoke facilities.

Former pupil **Morgan l'Anson Bradley** received the 'On Track 4 Racing' award in recognition of her hard work and commitment during the Foundation Course at the National Horseracing College.

Our **musicians** were proud to provide an evening of musical entertainment at Leconfield's beautiful St Catherine's Church.

Well done to Year 10 pupil Brett, who did his work experience in the library. As well as developing his library and information skills, Brett also organised a **bake sale** to raise extra funds for more Manga books and graphic novels in the school library.

The **Year 10 rounders team** enjoyed an incredible end of season tournament, showcasing their skill and teamwork. They won all three of their initial games, impressively getting all opposition team members out. Their hard work and determination led them smoothly into the final against South Hunsley.

Miss Walmsley, coaching the team for the final time, said: "The final match was intense, with scores remaining close throughout. There were some amazing batting performances from our team, but ultimately, South Hunsley's fielding secured them the win. Despite this, Longcroft gave a fantastic game, earning a well-deserved second place." Reflecting on a successful year, Miss Walmsley added: "Well done to all the girls for their outstanding efforts. This year has been remarkable, with strong performances in netball and football as well. This tournament marked a successful end to the season and was particularly special being my last fixture for the school. Congratulations to everyone involved for making it a memorable year."

Katie, Millie, Harriet, Amy, Ameerah-Grace, Grace, Jemima, Charlotte, Anna, Logan-Mae and Emily are pictured with Miss Walmsley.

Jack Charles and **Will Hutchinson** represented their country as members of the England Academy team.

Longcroft's pupils enjoyed success in the **East Riding Schools' Athletics Championships** at Hull's Costello Stadium. Year 7 pupils Megan, Summer, Rosie and Leo all won their events. Megan, who won the 1,500m, said: "It was good. Although I expected to win, I was pleased with my time. It was the exact time my coach wanted - 5 minutes 30 seconds."

Rosie won the 800m. She said: "It was fun and hard - I won by about five seconds."

Summer won two events – the shot and high jump. She explained: "I was happy and proud to win and be East Riding Champion in two events."

Congratulations to everyone who represented Longcroft in this prestigious event.

The final week of term saw over 400 pupils enjoy a Reward Trip to Flamingo Land. Mr Rogers said, "

"We had a fantastic day. It was a great opportunity to reward pupils who have worked hard and met expectations throughout the year, which is so important."

Izzy, Rhys and El who are in Year 11 and Year 10 pupil Lydia performed as 'Four to the Floor' in the East Riding Schools' Music Service **Battle of the Bands** which is held at Bridlington's Spa.

Barcelona!

Twenty five studying GCSE Spanish enjoyed an unforgettable opportunity to experience the sights, culture and atmosphere that make the magnificent city of Barcelona so special.

Anika said: "There were so many amazing cultural sights - highlights were Park Güell and Sagrada Família."

Mrs Shepherd said, "We had an action-packed trip. Our Longcroft pupils were an absolute credit to the school and I was extremely proud of them. My highlight was Montjuïc Castle which offers both rich history and stunning panoramic views of Barcelona and the Mediterranean Sea. It was beautiful."

While an undoubted unexpected highlight was seeing the members of Take That who were in Barcelona as part of their world tour, pupils enjoyed a packed itinerary which included Park Güell, Las Ramblas, a Camp Nou Immersive tour, a Cable Car ride, Montjuic Castle, Poble Espanyol and the stunning Sagrada Família!

Finn particularly enjoyed Camp Nou, explaining that he could imagine being there for a match, while Joe said: "My highlight was the theme park, PortAventura - it was good to go on all the rides and it was a really fun day!"

London Calling!

A group of pupils and Sixth Form students enjoyed the sights and sounds of London! Thank you to Mr Deer for both his fantastic organisation and leadership as well as this summary of the trip.

We visited the nation's capital for an eagerly awaited trip to see some of the biggest shows on the West End. Day one saw the group visit the Duchess Theatre to watch 'The Play that Goes Wrong' created by the Mischief Theatre Company - a 'play within a play' saw a murder mystery go completely wrong, in a humorous slapstick comedy which had all in stitches.

Day two was busy and started with a London Bridge Experience tour which explains the gruesome history of the bridge, followed by a scare maze which was successful in giving our party a fright!

Day two also gave the opportunity for our group to visit many of London's famous landmarks including: The Tower of London, The Globe Theatre, Millennium Bridge (as seen in the Harry Potter films) and St. Paul's Cathedral. The sun was glorious and meant for a sun-soaked tour of the capital's offerings. This tour was followed by some time in Covent Garden, taking in the street performances and some light (saber) shopping.

The evening performance took place at Shaftesbury Theatre to watch the musical of the 90s film hit 'Mrs Doubtfire'. Laughs abound, it was a stunning musical adaptation by Kevin McCollum and Jamie Wilson. One student said: "It was gripping and I thought the set changes were amazing: professionally slick."

A coach load of tired pupils and Sixth Form students boarded the bus home having had a wonderful experience and looking forward to next year!

‘Weaving Dreams’

A wonderful year culminated in a celebration to mark the publishing of our fourth Anthology. First Story believes everyone has a unique voice, a story to tell and a right to be heard. The charity supports young people to practise creative writing for pleasure, self-expression and agency; their flagship programme sees inspirational professional writers work to develop creativity, confidence and ability. A group of pupils worked with Ms Carvill and First Story Writer-in-Residence Vicky Foster to produce ‘Weaving Dreams’, a stunning collection of poetry and writing through which they have demonstrated tremendous talent and maturity as authors.

Ms Carvill said: “Our wonderful cohort of First Story writers marked the publication of Longcroft’s new anthology with a book launch party attended by family and friends. The festivities began with pupils proudly posing for photos with their new anthologies, and the certificates awarded to them for completing the Young Writers Programme. The celebratory mood was enhanced by guitar and vocals performed by gifted Year 10 musician Joe Dawson. A huge thank you to Joe for creating such a joyous ambience.”

Weaving Dreams, Longcroft’s fourth anthology is its most eclectic to date. It features poetry and prose by pupils and students across year groups, with a spectrum of abilities, and from a variety of backgrounds. The book is all the richer for it. As Ms Carvill commented:

“When our 2023/2024 cohort was formed it felt incredibly important that it was all inclusive, reflecting the diversity of pupils and students that make up our wonderful school.”

Ali Johnson, First Story Programme & Partnership Manager (Yorkshire) described the anthology as:

“Rich, packed with individuality, spark and creativity.”

He added:

“You have explored different themes, forms and styles, creating a brilliant showcase of exciting new writing. Not only will Longcroft School Library have another anthology to add to the collection, but First Story will also be sending a copy to the British Library so that your words can be enjoyed for the rest of time.”

Weaving Dreams truly invites the reader into the minds of its creators. It’s a world awash with colours, scents, flowers; of light and dark, moonstones, fantasy, springtime, birds and trees.

Our inspirational writer in residence, Vicky Foster, felt very satisfied that having shared one of her own poems about how a tree could represent her adolescent life, a number of pupils put forward their interpretations for the anthology. Indeed, one of them read her poem about a tree out at the launch party.

It was thrilling to see her and so many of our young writers perform their work to an audience, and to recognise how much their confidence has grown as a result of their First Story Programme experience.

Our cohort should feel incredibly proud that they are all published authors and that a copy of their anthology is in the British Library. To have work published at such a young age is a massive achievement. It also takes a huge amount of courage.

Momentous thanks to Ms George, our Food Technology teacher, and all her budding Year 10 chefs, for providing such a delicious buffet to help celebrate and make the party such a success.

The cover was inspired by Year 12 student Katy Brown's Tree Woman design.

Copies of Weaving Dreams are available in the school library, and a limited number can be purchased on ParentPay. Do read it. You're in for a treat!

Illuminated Angels

By Orlaith Brown

Christmas is the church
At the end of my street.
Candles shine through the windows,
Illuminated angels
Sing onto the road.

Last minute shoppers try
To cram one last present into their
Bustling bags.
Someone has cooked
A myriad of pigs in blankets
That mount on my plate,
And dressed our doors
With holly wreaths.

Candles shine through the windows,
Illuminated angels
Sing onto the road.

School Games Day

The sun finally shone as we enjoyed another outstanding School Games Day.

Golden Recognition for PE Team

2023/24 has once again seen our PE Department organise an extensive range of sporting fixtures and opportunities for all year groups across a wide variety of sports, and our teams have continued to represent Longcroft with pride.

In addition to those who have played, our fantastic Longcroft Leaders have played a variety of key roles, organising, coaching and officiating at a range of events involving pupils from local primary schools and their peers.

We were delighted to celebrate achieving the School Games Mark Gold Award for the 2023/24 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised once again for our success.

We are extremely proud of our pupils and Sixth Form students for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

Well done to everyone involved - we look forward to applying once again in 2025!

Our Wonderful FOLS Celebrate a Successful Year!

Thank you to our fantastic Friends of Longcroft School who do so much to raise funds that create opportunities for the benefit of our children.

FOLS started the school year with the challenge of some long-standing, highly valued members stepping back as their children moved onto pastures new, but a small group of determined parents came together and the FOLS have gone from strength to strength.

This year, the FOLS have run a number of successful events. For example, we've sold refreshments at the Christmas and Summer Concerts and at Parents' Evenings. We also assisted in holding a 'Halloween' themed cinema night for Year 7 and 8 pupils and we run a monthly cash draw.

All these events have helped the FOLS raise £1400 this school year, which is reinvested into the school for the pupils to benefit. This year the FOLS funded BookBuzz, to give the pupils in Year 7 a reading book, and contributed to the First Story project.

None of this could be achieved without the commitment of the FOLS and the support of parents and carers. So, the FOLS would like to say a very big thank you for all your support. There are many ways the FOLS can be supported. You can enter the cash draw to win £15 a month, a year's entry can be purchased on ParentPay for £12.

The winners of July's draw are the parents of Libby Wood.

You can also do your online shopping through the Easy Fundraising app. It doesn't cost you anything but the FOLS get a percentage of your purchase with certain companies. There are over 7000 sites, such as Tui, Amazon and Shein.

You can join the FOLS. We are a friendly bunch of parents and we don't need a permanent commitment of your time. Just help at events, as and when you can. If you are interested in joining the FOLS please email fols@longcroft.eriding.net.

Term Dates 2024/25

Autumn Term 2024 for Pupils and Students

Tuesday 3 September - Friday 25 October - Years 7 & 12 only

Wednesday 4 September - Friday 25 October - Years 8, 9, 10, 11 & 13 only

Monday 4 November - Friday 20 December

Spring Term 2025

Tuesday 7 January – Friday 14 February

Monday 24 February - Friday 4 April

Summer Term 2025

Tuesday 22 April - Friday 23 May

Monday 2 June - Friday 18 July

Staff Training Days

Monday 2 September 2024

Wednesday 25 September 2024

Monday 6 January 2025

Monday 21 July 2025

Tuesday 22 July 2025

We look forward to seeing and congratulating our Year 11 pupils and Year 13 students on their respective Results Days:

Year 13 – Thursday 15th August

Year 11 – Thursday 22nd August

Thank you to everyone who has made 2023/24 another fantastic year!

Congratulations to our wonderful pupils and Sixth Form students on everything you have achieved!
