now!**

After an extremely successful internship programme in 2024, we are delighted to once again be able to offer more young people an opportunity to find out why teaching is such an inspirational career choice.

Our internship programme combines professional development, talks from external speakers, a visit to one of our primary schools, planning a trip and of course an opportunity to teach our pupils. You receive dedicated mentorship, support, and training over the three-week period and in your final week, you can choose to teach your very first lesson. It is simply a privilege to see our interns flourish and utterly amazing to see them stand in front of their first class after just three weeks.

In addition to all the great opportunities you will receive during this three-week programme, you will also receive a payment of **£1,275.00** funded by the Department for Education.

Our paid internships are available for people who:

- have a genuine interest in teaching
- have not already accepted a place on an Initial Teacher Training programme
- have not completed a paid internship before
- have (or are working towards completing) a degree or a related degree in mathematics, physics, chemistry, or modern foreign languages (French and Spanish)

We are recruiting for placements in maths, physics, chemistry and modern foreign languages starting on:

- 9th June 2025 to 27th June 2025
- 23rd June 2025 to 11th July 2025

Our internships are available at both:

Woldgate School and Sixth Form www.woldgate.net

and
